PARIS IS SOON TO HAVE MODERN HOSPITAL CENTRALLY LOCATED; PLANS FOR PROPOSED CITY PARK ARE BEING DISCUSSED BY MANY

PHYSICIANS PLAN A-GO COMPANY IS **EARLY OPENING OF** LOCAL HOSPITAI

Upchurch Building .-- Nurse

lease of the Upchurch building ization of \$10,000, all of which on West Wood street for use as a was owned by only five people.

that the campaign took on defi-nite form. However, when the physicians determined to have a sharing basis in order to find a hospital they commenced to look market for each article manufacabout for a suitable location and soon decided upon the Upchurch Eac

with Mr. Bruce and remodeling them. work has already commenced. The work will be pushed and the hospital open by June 15, although it is probable that it will be two weeks later before everything is in readiness for the

opening.
The physicians announce that an experienced nurse will be in now being considered and the one | night, May 26. employed must be of known ability and experience.

All surgical, confinement and like cases will be admitted at the hospital, but no patients suffering with contagious diseases will be accepted under any circumstances.

A white-tiled operating room will be arranged at the building and everything will be kept in an absolutely clean and sanitary

A hospital, such as the one soon to be opened, has long been needed in Paris and the physiest in the movement and the Emma. December 25, 1888.

Within a short while announce-ment as to the nurse who will be in charge of the institution will the it was lost soon after that

The building on West Wood when found the watch was in street is centrally located and good condition, and looked no convenient to both the N. C. & worse because of the years it had St. L. and the L. & N. rail-been in the sewer.

JUDGE TAYLOR LEAVES

Judge Lytton Taylor left this week for Beaumont, Texas, where he will locate. Judge Taylor had been a resident of Paris for several years, coming here from Nashville. During the time he has lived in Paris, he made an enviable reputation at the bar, and his many friends in Paris and Henry county regret to see him leave, although wishing him much success in Beaumont. While here Judge Taylor became popular because of his honesty, fair-dealing, goodfellowship and high standing among the legal profession.

Despondency, caused by ill was held out for his recovery. For several months Mr. Nanny was held out for his recovery. For several months Mr. Nanny he health and it is caused R. O. Nanny, a well known young farmer of the old generally believed that this, coupled with the bad crop conditions, and his vicinity, caused him such worry that his mind day morning in attempt to end his life.

After he had drank the acid, Nanny was discovered and medical aid summoned. At latest reports he was still alive and hope life.

B. Hodge, under indictment in Calloway county, Ky., on a charge of nightriding, was arrested that this, coupled with the bad crop conditions, in his vicinity, caused him such worry that his mind day morning in attempt to end his life.
